4. **Financials:** Copy of PAN Card, GST Registration, and Audited Balance Sheets for 1 year.

#### 5. Terms and Conditions

- **Three Quotations Rule:** In accordance with the MoU, a minimum of three competitive bids must be received for the process to be valid.
- **Payment Terms:**

Payments will be released based on the following milestones, subject to the submission of the required documentation and satisfactory performance verification by the Disha Foundation technical team.

##### **Payment Schedule:**

1. **Advance Payment (50%):**
  - Released upon the signing of the Purchase Order (PO) and receipt of a Proforma Invoice.
  
2. **Delivery and Installation Payment (40%):**
  - Released upon:
    - Successful delivery of all 04 units to the respective District Hospitals.
    - Successful installation, calibration, and training of staff.
    - Submission of a **Satisfactory Installation & Commissioning Report** signed by the Hospital Authority/Department Head at each location.
    - Submission of all necessary regulatory compliance documents (e.g., AERB certificate copies).

### 3. Final Performance Payment (10%):

- Released 15 days after the date of successful installation.
- **Requirement:** Submission of a **Performance Certificate** confirming that the equipment has been functioning without technical failure or software glitches during the 15-day observation period.

### Audit & Documentation Requirements:

- All payments will be processed via electronic transfer (NEFT/RTGS) to the vendor's bank account.
  - The vendor must provide a GST-compliant invoice for each payment milestone.
  - Disha Foundation reserves the right to withhold any payment if the equipment does not meet the technical specifications or if the installation report is not verified by the hospital administration.
- 
- **Service Support:** The vendor must have a functional service centre in India to ensure a maximum 48-hour turnaround time for repairs.
  - **Training:** The vendor must provide in house and on-site training to hospital staff and x-ray technicians at the 4 locations on use of x-ray machines, software, CAD software.
